HYDRAULIC ENGINEERING

Khlapuk M. M., Moshynskiy V. S., Bezusiak O. V., Volk L. R.	Research of Total Kinematic Turbulent Viscosity Distribution of Turbulent Flow in Pipes 3
Kozishkurt S. M., Turcheniuk V. O.	Agro-Hydrological Properties of Soils of Rice Irrigation Systems and the Express Method of Their Determination 18
Klimov S. V., Ivanchuk H. S.	Flood Control Measures on the Tisza River in the Settlement of Velykyi Bychkiv, Transcarpathian Region 27
Volk P. P., Prykhodko N. V., Rokochynskiy A. M.	System Approach as a Methodological Basis For the Management of Agricultural Landscapes in the Polissia Zone of Ukraine 41
Gerasimov Ie. G.,	Bases of Machine-Free Water Supply of Effective Agriculture 52
Hopchak I. V., Basiuk T. O.	Assessment of Anthropogenic Load on the Small River Vyzhivka Basin 65

WATER SUPPLY AND WASTEWATER DISPOSAL

Ivaniv V. V., Bihun I. V.	Applications and Methods of Calculation of Pressure Pipelines-Collectors 76
Kunyskyi S. O.	Features of Design of Water Preparation Station 90
Kizieiev M. D., Kunyskyi M. O.	Evaluation of Energy Efficiency of Wastewater Heat Energy Use 99

Shadura V. O.	Creation of an Equivalent Model of Water Intake From Wells By Identification of Calculation Parameters 107
---------------	--

APPLIED MATHEMATICS

Zhukovska N. A., Zhukovskiy V. V.	Mathematical and Computer Simulation of the Stress-Strained State of Multilayered Soil Massif With Movable Free Surface in Two-Dimensional Case 116
--------------------------------------	---

INFORMATION TECHNOLOGY

Zubyk L. V., Zubyk Y. Y., Ivanytska A. Y., Batechko O. Y.	Organizational Methods of Information Protection of Modern Private Medical Institutions 126
--	---

CONSTRUCTION AND ARCHITECTURE

Azizov T. N., Kochkarov D. V.	To the Calculation of Reinforced Concrete Slabs with the help of Rod Approximation 137
Mishutin A. V., Tvardovskiy I. O., Zavoloka M. V., Kintia L.	Survey of the Bridge Through the Chychyklya River on the Central Street in Mykolaivka Urban-Type Settlement 147
Tolmachov S. M.	Road Concrete Abrasion as Criterion of Prediction of its Durability 157

ENGINEERING SCIENCE

Hevko I. B., Komar R. V., Marchuk N. M.	Structural Synthesis of Elastically Safety Clutch Screw Conveyors 172
