

Content

HYDRAULIC ENGINEERING

Shydlovska O. V., Shpakovska O. M., Shuminskyi V. D., Khlapak M. M.	Specification of Deformative Characteristics of Soils by Simulation of Pillow Deposition ... 3
Filipovych Yu. Yu., Sunichuk S. V.	Energy and Economic Indicators of Vacuum Systems of Automated Pumping Stations 17

ENGINEERING SCIENCE

Stadnyk O. S., Pikula M. V., Ihnatiuk R. M., Pakharenko V. L., Moroziuk S. V.	Use of CAE Systems For Simulation of the Air Classification Process 29
Holotiuk M. V., Tkhoruk Y. I., Pakharenko V. L., Doroshchuk V. O.	Research of Rational Movement of Cargo at Light Industry Enterprises 38
Makarchuk O. V., Nesterenko V. P., Romanovskyi O. L., Karpliuk V. R.	Research and Justification of Vibroapparatus Parameters For Formation of Slots in Soil 47

HEAT ENERGY

Kochmarskii V. Z., Kostiuk O. P., Tymeichuk O. Yu.	Deposits in Heating Boilers and Their Con- sequences 57
--	--

APPLIED MATHEMATICS, COMPUTER SCIENCE AND COMPUTER ENGINEERING

Dzhoshi A.	Card Data Tokenization Technology Used in Online Payments 67
------------	---

Baranovskyi S. V., Bomba A. Ya.	Logistic Generalization of Infectious Disease Dynamics Mathematical Model Taking Into Account Diffusional Perturbations 74
------------------------------------	--

Morozov Yu. V.	Verification and Testing of a Computer Program for Calculating the Coefficients of Linear Equations of Normalized Regression . 89
----------------	---

WATER SUPPLY AND WASTEWATER DISPOSAL

Mosiichuk Ya. B.	Technical and Economic Justification of the Use of Treated Wastewater and Sediments at the Enterprises of the Agricultural Com- plex 104
------------------	---

Davydenko N. V., Kunyskyi S. O., Davydenko V. A., Davydenko L. V.	Formalization of the Contribution of Hourly Water Consumption From the Water Supply Network of the Settlements of the United Territorial Communities to the Configuration of the Daily Chart of Water Supply of the Pumping Station of the Second Rise 117
--	---

CONSTRUCTION AND CIVIL ENGINEERING

Homon P. S.	"Moment–Curve" Diagram Drawing Peculiarities for Reinforced Wood Beams With Rectangular Cross-Section 128
-------------	---

Homon Sv. Sv., Dovbenko T. O., Matviiuk O. V., Savchuck S. M.	Influence of Aggressive Environment on Sol- id and Modified Wood 139
--	---

Stashuk V. A., Rokochynskyi A. M., Turcheniuk V. O.	Ways to Increase the Efficiency of Rice Irri- gation Systems of Southern Ukraine 148
---	---

Rokochynskyi A. M., Stashuk V. A.	Restoration of the Potential of Dried Soils on the Basis of Application of Deep Agromeliorative Loosening 161
--------------------------------------	---
