Shylova T. O.	Gated Territory of Residential Complexes: Positive Or Negative? .....	3
Mykhailyk O. O.	Acupuncture of Urban Space Reconstruction in Ukrainian Cities .....	13
Dankevych N. O., Dobrovolska O. H.	Analysis of the State of Engineering Networks and the Use of Modern Technologies For Their Reconstruction in the Development of Design and Technological Documentation .....	21
Kosakivskyi O. V.	Development of Underground Space of Modern Cities to Improve the Condition of the Environment .....	31
Filonenko O. I., Tokar B. S.	Impact of Soil Characteristics on the Thermal-Hygrometric Regime of Adjacent Building Envelope Constructions .....	41
Semko O. V., Ilchenko T. M., Filonenko A. S., Mahas N. M.	Research of the Temperature Regime of Building Envelopes Bordering the Ground ....	52
Osetrin M. M., Karban S. V.	BRT – Bus Rapid Transit .....	61
Sokolenko K. V., Sokolenko V. M.	Reverse Reurbanization of Donbas. Possibility and Prospects .....	70
Osetrin M. M., Tarasiuk V. P.	Energy Assessment of the City's Transport and Communication System .....	82

Osetrin M. M., Tarasiuk V. P., Bespalov D. O., Ivanets L. I.	Determination of the Efficiency of Traffic Organization in the Stop Zone Without the Possibility of Passing Public Transport ..... 92
Tkachuk O. A., Budakovska D. P.	Modern Methods of Regulating Rain Runoff in Urban Landscaping ..... 107
Drachynska V. I.	Urban Planning Principles and Methods of Forming the Main Street and Road Network of Large Cities ..... 120
Lipianin V. A., Stychuk V. A.	Urban Planning Aspects of the Rational Use of the Territory for Development ..... 127
Timchenko R. O., Krishko D. A., Savenko V. O.	Additional Impacts and Loads on Buildings and Structures With Unevenly Deformed Foundations in Complex Engineering and Geological Conditions ..... 138
Timchenko R. O., Krishko D. A., Bykhno V. O.	Study of the Basic Structural Schemes of High-Rise Buildings With Regard to the Material For the Frame ..... 148
Kochkarov D. V., Azizov T. N.	Calculation of Fragment Penetration of Protective Structures' Enclosing Elements ... 160
Homon S. S., Homon S. S., Petrenko O. V.	Results of Experimental Studies of Deformation Indicators of Wood of Different Age ..... 169
Panchuk Yu. M.	Research of the Stressed-Deformed State of Fine-Grained and Coarse-Grained Concrete Under the Action of Cyclic Loads of Medium and High Levels ..... 176

Makhinko A. V., Skliarenko S. O.	Problems of Regulating Requirements For the Reconstruction of Construction Objects as a Process of Extending the Building Life Cycle ..... 186
Matviiuk O. V., Homon S. S.	Improvement of Mechanical Characteristics of Structural Wood of Spruce and Ash During Operation in Acidic Environments ..... 196
Pilipaka L. M.	Justification of the "Urban Unit" Concept ..... 205
Kukhniuk O. M.	Changes in the Stiffness Properties of Reinforced Concrete Structures During the Operation of Buildings and Structures Under Conditions of Low-Cycle Loads ..... 217
Pilipaka L. M., Nychporuk R. V.	Planning the Reconstruction of Destroyed Cities, Taking Into Account the Preservation of Historical Heritage and the Creation of Inclusive Spaces ..... 227

### **ARCHITECTURE, CONSTRUCTION AND CIVIL ENGINEERING**

Abramov V. M.	Comparison of Calculation Methods For Arched Structures Made of Corrugated Metal Under a Road Embankment ..... 237
Trach V. M., Podvornyi A. V.	Influence of Reinforcement of Steel Shells of Tunnel Structures With Anisotropic Composites on the Reliability of Their Free Vibration Parameters ..... 247
Supruniuk V. V., Fursovyh M. O., Ziatiuk Y. Y., Pavliuk A. P.	Determination of the Actual Modulus of Elasticity of the Existing Road Clothing ..... 261

Harkusha V. S.,  
Simonov S. I.,  
Torbenko E. M.                      Restoration of Balcony Plates of Residential  
Buildings Using Sprayed Concrete Mixtures . 269

Puhachov Ye. V.,  
Litnitskyi S. I.,  
Kundrat T. M.,  
Zdanevych V. A.,  
Litnitskyi V. I.                      Illumination of the Horizontal Planes From  
Different Sky Types For the Cities of  
Khmelnitskyi and Odesa and Its Comparison 277

### **HYDROTECHNICAL CONSTRUCTION, WATER ENGINEERING AND WATER TECHNOLOGIES**

Stepaniuk B. I.,  
Kholodenko V.,  
Lukianchuk O. P.,  
Kravets S. V.                      Determination of the Dynamic Law of  
Normal Pressure Distribution On the Frontal  
(Head) Plane of the Working Body For Soil  
Development ..... 290

Klimov S. V.,  
Kozishkurt S. M.                      Remote Sensing of the Earth to Assess the  
Risks of Loss of Fertility of Dry Steppe Soils  
During a Water Crisis ..... 297

Turcheniuk V. O.,  
Kropyvko S. M.                      Assessment of the Operational Efficiency of  
Rice Irrigation Maps of Different Designs  
and Parameters of Danube Rice Systems ..... 313

Klimov S. V.,  
Klimova A. V.,  
Biletskyi A. A.                      Water Sector Management and Tariff Model  
in the Netherlands ..... 326

in Low-Resource Environments. Analysis of  
Promising Solution Methods ..... 393
- Bykov V. O.      Computer Modeling of Porous Medium in  
Game Engines ..... 403
- Chubiuk V. Y.      Enhancing Procedural Content Generation  
Through Machine Learning ..... 410

## **GEODESY AND LAND SURVEY**

- Kosiak D. S.,  
Shvets O. M.,  
Lishchynskyi A. H.      Features of Implementation of Land Rights  
Within Water Protection Zones of Water  
Bodies in Ukraine ..... 421
- Yanchuk O. Ye.,  
Trokhymets S. M.,  
Panchuk Yu. M.,  
Prokhorenko M. V.      Analysis of the Accuracy of Earthwork  
Volume Calculations Using Specialized  
Software ..... 432

## ENGINEERING SCIENCE

- Ihnatiuk R. M.,  
Stadnyk O. S.,  
Pakharenko V. L.                      Research of the Cost of Operating Vehicles .. 445
