

**CONTENT**

Matsneva T. S., Rossinsky R. M.	50 Years – Time of Results and Time for Actions (devoted to 50 <sup>th</sup> anniversary of Department of Sewerage and Sanitary Engineering).....	3
------------------------------------	--	---

**WATER NETWORKS AND WATER TREATMENT**

Rimeika M., Jurkiene A.	Water Loss Management Experience of Lithuania.....	12
Epoyan S. M., Karagiaur A. S., Golubka A. E.	About the Advisability of Pretreatment Before Devices to Micro- and Ultrafiltration.....	24
Kayastha K. P. (Kris)	Bell Type Water Well with Wide Gravel Filter.....	33
Kvartenko A. N., Safonov R. V.	The Aggressivity Degree Analysis of the Rivne Region Groundwaters .....	49
Kravchenko O. V.	Role of Microorganisms in the Process of High Concentrations Iron Removal on Filter With Zeolite Boot.....	58
Malkin E. S., Zhuravskaya N. E., Melegik L. P.	About Question of Preparation and Use of Magnetized Water.....	66
Shevchuk A. Yu.	Reliability Estimation of Pipelines of Water Transmission System .....	73

**SEWERAGE AND WASTE WATER TREATMENT**

Ujma A., Sowier-Kasprzyk I.	The Rainwater from the Roofs of Buildings in the System of Stormwater .....	79
--------------------------------	--	----

Vyzhevska T. V., Demianyuk K. O., Demianyuk O. B.	The Experience of Introduction of Multistage Biological Sewage Treatment Technology ..... 92
Gvozdyak P. I., Sapura O. V., Chek?- ovskaya T. P.	Biotechnological Disposal of Toxic Waste Liquid Containing Hexamethylenediamine in Storage Ponds..... 102
Degtyar M. V.	Intensification Processes of Leachate Treatment..... 111
Razhonova O. V.	Theoretical Justification of Method of Red Sludge Dehydration under Electric Field.... 117
Rossinskiy V. M.	Perfection of Technology of Biological Waste- Water Treatment by Structural Flow Separation..... 124
Tkachuk O. A., Salchuk V. L.	New Approaches to Definition of Rainfall Run-Off Design Parameters Regulated in Urban Areas..... 132
Fylypchuk V. L.	Peculiarities of Flotation Treatment of Multicomponent Metal-Containing Waste- water..... 141
Shevchenko A. A.	Laboratory Researches of Pressure Flotation Intensification during Wastewater Treatment of Milk Processed Industries..... 153
Shevchuk O.V.	Permeable Pavements Application for Stormwater Management on Urban Areas..... 163
Shcherbakov V. N.	Wastewater Treatment and Reuse after Leather Liming at Tannery..... 171

**HEAT, GAS SUPPLY, VENTILATION AND CONDITIONING**

Voznyak O. T., Myroniuk Kh. V., Sukholova I. E., Dovbush O. M.	Modeling of Air Flow Distribution in Production Apartments by Combined Jets... 180
Hrytsyna O. O., Lykashevuch B. O., Kostyk O. I.	The Dependence Research of Failure Flow Parameters of Gas Distribution Pipelines From Polyethylene on Gas Supply Length Dynamics..... 186
Lastovets N. V.	The Measuring Techniques of Convective Flows in the Near Window Zone of Heated Rooms..... 194
Nazarenko A. M., Druzhko I. V.	Heat Carrier Quality Monitoring – One of the Energy Saving Ways in Comunal Enterprises.. 201
Pohosov O. H., Malkin E. S.	Experimental Research of Efficiency of Centrifugal Separation Device with Dual Removal of the Liquid Phase..... 209
Procenko S. B.	The Assessment of the Ways of Per-Apartment Accounting of Heat Energy Consumption for Heating in Apartment Buildings..... 215
Chaban I. V.	Thermodynamic Efficiency Determination of Combined Shock-Foam-Type Air-Handling Unit with Block of Thermoelectric Modules.... 227
Shepitchak V. B.	The Study of Heaters Exposure Intensity..... 236

**ENERGY EFFECTIVENESS AND  
ALTERNATIVE ENERGY SOURCES**

Ujma A., Lis A.	Thermomodernization and Media Consumption on Selected Examples..... 243
--------------------	---

Veryovkina S. E.	Architectural and Construction Solutions of Energy Efficient Building Envelope.....	253
Kravchenko N. V., Kravchenko V. S., Matsnyeva T. S., Melnik O. M.	Economic Feasibility of Biogas Plants Use on Cattle Farms .....	259
Lysak O. V., Malkin E. S.	Analysis of the Configuration of Storage Heater Airways .....	265
Matsneva T. S., Kovalchuk V. P.	Analysis of Perspectives and Potential Assessment of Biogas Producing from Wastes in Ukraine .....	275
Pona O. M., Voznyak O. T., Shapoval S. P., Kasynets M. Ye.	Cost-Effectiveness Assessment of the Helioroof Use .....	282
Shapoval S. P.	Mathematical Modeling of Impact of Direction and Speed of Air Flow to Convective Heat Loss of Helioroof.....	288
Yevtushenko S. I.	Implementation of Innovative Ways of Sanitary Wastes' Disposal .....	295
Matus S. K., Pastushenko V. Y.	Moisture Measurement and Hydrophysical Functions Identification of Soils .....	302
